

August Camp 2021 Camp Specific Information

Emergency Contact Info

Should you wish to leave an emergency number with friends or family, as in the case of an emergency situation that might require you to return home, use your own cell as a first resort. Since there is no cell service at Camp, however, you may also leave AMC's Contact Service Center number (603-466-2727) and have your family member tell whoever answers that they wish to get a message to an August Camp attendee at Little Lyford. AMC will relay the message to Lyford. Be sure the person calling AMC leaves your name (who to contact), their name and a clear message.
