NOTE: "WOW RATING" of hikes: 5 is highest; 1 lowest (but still great, by virtue of being included!)						
Not all guidebooks used this rating system - that is why some hikes are unrated. Yellow highlight indicate popular hikes.						
<p><b>Please note: You are expected to be out of camp most of the day; even the easiest hikes will <u>require you to be able to hike a minimum of about 5 miles with 500-700 feet of elevation gain.</u> Shorter easier hikes will be combined with others or with other activities to make for a full day's outing.</b></p>
